RISE – Theme for 2024-25

The **Theme for this year** is “RISE”. I firmly believe that we as an Association, we as a Profession, we as a Society and we as an Individual have to RISE to meet the growing challenges and make best use of the opportunities that lay before us. To me, RISE means —

- To rise beyond...**
- To rise further...**
- To rise higher... and**
- To rise above.**

RISE to meet your goals, to meet your ambitions, to complete your duty and to move ahead.

Hence, after Igniting Utkarsh, the most appropriate theme to carry forward the energy will be to RISE and move ahead with greater zeal.

I propose to focus on the following activities during the year:

1. **R** stands for **R**esearch related activities,
2. **I** for increasing the Industry connect,
3. **S** is to have greater focus on **S**killing and Reskilling of our members, and
4. **E** will ensure creating an **E**dge for our members by overall development by creating opportunities for personality development, enhancing communication skills, increasing gender sensitivity and social skills. This will be done through debates, moot court, sports, drama, music, fellowship and other similar activities.

Thus, RISE will help our members to accomplish more in their professional and personal lives. I call upon all the members to participate in the Association's activities with full enthusiasm and also contribute your ideas in how we can make the initiatives better and better.
