About Annual Conference

The ACAIE Annual Conference is the flagship event of the Association of Corporate Advisers & Executives (ACAIE), bringing together over 500 distinguished policymakers, industry leaders, professionals, entrepreneurs, investors, and corporate executives from across the country.

This year's theme, "**Reimagining Bengal: Industry, Innovation & Infinite Possibilities (3i)**," reflects a bold vision for Bengal's next phase of growth. It seeks to explore how the State can leverage its industrial legacy, entrepreneurial spirit, innovation ecosystem, and policy initiatives to emerge as a preferred destination for investment, business, and sustainable development. As Bengal enters a new phase of governance, the Conference will serve as a platform for constructive dialogue on unlocking new opportunities, fostering collaboration, and positioning Bengal as a key contributor to India's economic future.

About ACAIE

Established in 1960, the Association of Corporate Advisers & Executives (ACAIE) is one of Eastern India's leading professional bodies, with over 1,700 members comprising Chartered Accountants, Company Secretaries, Advocates, Corporate Executives, Industrialists, Entrepreneurs, and Business Leaders. For over six decades, ACAIE has been a trusted platform for policy dialogue, professional excellence, and knowledge-sharing through its conferences, conclaves, seminars, and publications, while bringing together eminent policymakers, industry leaders, and professionals to foster meaningful collaboration and drive thought leadership.
